

PRESENTING
E3 EURO WRAP
SEMI AUTOMATIC WRAPPING MACHINE

Online offer only! The E3 Euro Wrap is a simple pallet wrapping solution for companies that wrap up to 50 pallets per week.

Made with the **minimalistic design** as the E3 Wrap 2100 series, this wrapper is capable of wrapping pallets of up to 2,4 meters.

The rotating arm means that the pallet stands still, which makes this machine **safer for your workers**.

Best of all: this machine can be modified work with **hand film!**
